

6th December 2021

Dear Parents/Carers

We have been offered a fantastic opportunity for up to **35 students** to have their bike serviced, completely free of charge.

This is a Cycling UK initiative which aims to get more bikes out of storage and used. We are keen to see more students cycle to school, as it is both good to be physically active and better for the environment. We hope it might encourage those who have a bike, but it needs some work to get road worthy.

If you are interested in this opportunity, it will be taking place on Wednesday 8th December. You will need to be able to get the bike to the school by 8.30 in the morning and it will be ready to be collected at the end of the school day.

The 35 places will be allocated on a **first come first serve basis**.

To express your interest in this opportunity, please send an email to the following email address:

Drbike@castlerocksch.uk

Tell us your child's name and tutor group.

We will confirm if your child's bike has a place by Tuesday 7th December.

Yours faithfully

Mrs J Patrick
CEO Apollo Partnership Trust
Executive Secondary Headteacher
