

3rd November 2021

Dear parents/carers,

I hope this letter finds you well. We were delighted to see most of our Year 11 students and their parents at The Apollo Sixth Form Open Evening last week. The feedback received from parents was that it was a purposeful and informative evening.

If you need any additional information, particularly with regard to subject combinations, or you were unable to attend the event, please do not hesitate to contact us via our email address:

apollosixthform@castlerocksch.uk

Application to The Apollo Sixth Form

As we stated on the evening, we are in the process of updating our application server with 'Admissions+'. This is a secure, on-line application portal that follows the UCAS format. This service will be active from mid-November. Parents will be notified of this via email. All Year 11 students will receive login instructions via their school email and will thereafter be able to complete The Apollo Sixth Form application form.

The deadline for submissions is Friday 10th December 2021.

Interviews will take place in the new year with a member of our Senior Leadership Team. The final stage will be a 'conditional offer' sent to your son/daughter via their school email.

Please contact me on the above email address should you require additional information.

Once again, thank you for your full and continued support.

Yours faithfully

Mrs E Parker
Head of The Apollo Sixth Form
