

20.09.2020

Dear Parents and Carers,

We apologise for the lateness of this letter, however this evening we have been informed that one member of our staff at The Castle Rock School has been tested positive for Covid-19.

The health, safety and well-being of our students continues to be paramount. Please be assured that we have sought advice from Public Health England this evening, and we are continuing to closely follow the published government guidance.

Due to the timing of this news, and as a precautionary measure, we are requesting that students in the following classes/groups please remain at home tomorrow (Monday 21<sup>st</sup> September). Once we have been able to speak to Public Health England again tomorrow, we will contact each parent to let them know if their child should continue to self-isolate.

11O/Sc	(Science, Monday Period 1)
10R/Sc	(Science, Monday Period 2)
11D/Sc	(Science, Monday Period 3)
Tutor Group	Post 16 DVI

**If your child was self-isolating on Monday 14<sup>th</sup> September, and was not in school, then this does not apply to them, and they are able to attend school tomorrow.**

Thank you for your continued support and cooperation, we will continue to keep you informed.

With my best wishes,

Mr M Gamble
