Dear Parents and Carers,

We apologise for the lateness of this letter, however this evening we have been informed that one member of our staff at The Castle Rock School has been tested positive for Covid-19.

The health, safety and well-being of our students is paramount. Please be assured that we have sought immediate advice from Public Health England this evening, and we are continuing to closely follow the published government guidance.

Staff who may have been in 'contact' with the staff member have already been contacted by the NHS Test and Trace process.

Due to the timing of this news, and as a precautionary measure, we are requesting that students in the following classes/groups please remain at home tomorrow (Monday 7th September). We will contact each parent tomorrow to let them know if their child should continue to self-isolate.
