

November 2020

Dear Parents/Guardians,

RE: Non Uniform Day for Children in Need Friday 13th November.

I hope this letter finds you well.

The Castle Rock School is excited to be joining many others around the UK to participate in the Children in Need Fundraising Appeal, by having a non-uniform day on Friday 13th November.

We feel it important to celebrate this event as a school community and bring some semblance of normality; in what are seemingly abnormal times!

Donation buckets will visit classrooms during Friday morning, so students can volunteer a £1 contribution. All proceeds will reach disadvantaged young people across the UK.

Together we can make a difference to the lives of children.

Once again, thank you for your continued support over recent months.

Kind regards

Ms E Booth
Deputy Head
