

4th January 2021

Dear Parents and Carers

We hope you had a restful break and managed to find time to recoup from the extraordinary year faced by us all.

As you are fully aware, we are now in a tier 4 category. For schools, this means students classed as 'vulnerable' or whom parents are 'critical workers' are only eligible to attend this week.

If you registered your child to attend before Sunday 3rd December and they fit into the 'vulnerable' or 'critical worker' category, then we would like to remind parents of the following arrangements from 5th - 8th December 2021.

1. School gates will be open from 8.15am.
2. Your child is expected to go directly to their 'year group designated area' where their student manager will be waiting.
3. It is expected that full school uniform is worn. There will be no practical PE this week, so wearing PE kit is not permitted.
4. Your child **MUST** have a mask and always wear it whilst in communal areas such as corridors.
5. Parents can still order school meals from our online app 'Fusion'
6. Free school meals will still be provided if your child is eligible.
7. Students in school will be given a space and computer to be able to access the online work that students at home will be completing. Could students in school please bring their own headphones to allow them to access this work.
8. **The school bus service will continue to run but will be subject to review depending on numbers. We will keep you informed of any changes.**

PLEASE NOTE: This information is accurate at the time of writing and we will regularly update parents of any changes via email.

Thank you once again in advance, for your full understanding and co-operation.

Happy New Year to you all.

Warmest regards,

Mr D Baldwin
