Dear Parents and Carers

On 10th March at 5pm we are offering you the opportunity to attend a parent webinar where you will find out how to further support your child's GCSE Learning.

During the session we will explore how parents can support their child's learning using GCSEPod with information around:

- * How to access the Pods;
- * Podbooks and how to quiz your child;
- * What to expect if your child is given homework on GCSEPod;
- * Check & Challenge and self-assessment;
- * Hints and tips on home learning

Spaces are limited and registration is required which can be accessed here: https://us02web.zoom.us/webinar/register/WN_jSiwLSHrQoaBENqym-f_LQ

If you are unable to attend you can find support guides and useful information on how to get the most out of GCSEPod at <https://www.gcsepod.com/parent-resources/>
