

15th June 2021

Dear Year 6 families

We are really excited to be able to invite all year 6 children to our Apollo Summer Schools to be held 16th - 20th August 2021 from 9am - 3pm every day. These will run at both the Newbridge and Castle Rock schools and will be free of charge, with lunch provided.

The Summer Schools, which will offer a blend of academic education alongside enrichment activities, are being funded by the government this year with an aim to make up for some of the children's missed education and form one part of the governments' educational recovery programme.

They also offer an important opportunity for us, at the Apollo schools, to support children's wellbeing. Children will have the opportunity to build relationships with their fellow classmates, meet new teachers, work with some staff from their primary schools and also familiarise themselves with their new school environment.

We are currently planning the timetable for the week but hope to be able to offer a wide variety of activities alongside the academic sessions, including drama, sport, music, arts and crafts alongside a day trip out.

If you would like your child to attend the Apollo Summer School, then please fill in the details on the form to register your place by Friday 18th June.
(Children do need to attend all week.)

Please click this link: [Apollo Summer School Response Form](#)

We will be in touch before the end of term with more details of the Summer Schools and the timetable of activities for the week.

In the meantime, if you do have any questions, then please email:
summerschool@apollopartnershiptrust.uk

With our very best wishes

The Apollo Leadership Team
